International Transport

## INTERNATIONAL FORWARDING

established 1991, Fortune International Transport has been dedicated to **Project Cargo** and **Logistics** since long time.

Being registered within PCN since very long time, Fortune International Transport has been attending most of the world meeting establishing long lasting relationship with many members, having **regular business going on with almost 50 members** by now!

The managing director (Paolo Federici) has been **teaching transport and logistics** at the Liuc University, so that he has surely a great experience on the field, knowing the rules and the laws at the best.

Fortune International offer clients the **personal local service and flexibility** that only a privately owned forwarder can, providing comprehensive logistics solutions through local people who have an in-depth understanding of their market.
